TIM: OLIVETTI BOARD OF DIRECTORS IS RENEWED WITH 60% WOMEN

Giovanna Bellezza, Cristina Carollo, Maria Enrica Danese, Simona Girolamo and Carla Nisio joined the BoD

Rome, 3 November 2022

TIM announces that Giovanna Bellezza, Cristina Carollo, Maria Enrica Danese, Simona Girolamo and Carla Nisio have been appointed in the Board of Directors of Olivetti, Group's company operating within TIM Enterprise.

With these new appointments, Olivetti's Board of Directors has increased its female presence from 14% to 60%. The integration of the company's Board follows what has already happened in TIM Servizi Digitali (with 80% women on the Board) and in Telsy (with 57% women on the Board): these are tangible actions that reflect TIM's commitment to the need to rebalance the gender composition in decision-making areas, a mandatory step for a meritocratic approach.

Olivetti Chairman Alessandro Picardi, CEO Quang Ngo Dinh and all board members wish the new Directors all the best in their work.
